DEDICATION

The Class of 1991 would like to take this opportunity to thank three special employees of North Adams State College: Wes Burdick, Bill Emery, and Howard Burdick. These three men have helped to keep the college operating for many years.

They do their job efficiently and well, while maintaining a constant air of optimism and enthusiasm. They are always willing to lend a hand or take extra steps to help someone out.

Wes, Bill, and Howard, we would like to dedicate the 1991 yearbook to you for all your many nights of hard work in maintaining Murdock Hall and the Campus Center. We appreciate your undying contributions and services. Most importantly, you are individuals whose work ethics and sense of humor are exemplary.

Your efforts and dedication are worthy of acknowledgement and do not go unrecognized.

Thank You

MEMORIES

To the Class of 1991 . . . .

This is it! The time has come to move on from North Adams State College. We've spent four years, (or more for some of us), striving for this point in time when we put on our robes and walk across the stage

When we arrived in 1987 as anxious freshman, we didn't think that four years would ever be over. That Fall we survived the incredible October 4th snowstorm. It left us without power, or classes for a few days. We made lots of friends, found our way around, and learned what life was like at North Adams State.

1988, our sophomore year, was the year for traveling. We rallied in our own front yard to protest budget cuts and joined a state-wide crusade to save Public Higher Education. We caravaned in buses, vans, and cars across the state to rally on the lawn of the statehouse in Boston.

Spring semester we cheered the men's basketball team at home as they made their way to the NCAA Division 3 playoffs! Once again we traveled. This time, to Albany, New York to root for the "Hawkes" as they made North Adams State history.

Junior year was here before we knew or wanted it to be. We continued to fight to keep our school affordable and alive. The fiscal crisis in Massachusetts continued to get worse but we still didn't quit! Most of all we had fun and made it to the end of the year.

And finally . . . . WE WERE SENIORS. We worked hard to finish classes and still had lots of fun! The good times with friends will never be forgotten: the Friday afternoons in the Campus Center Pub; Thursday nights with Jack, Jerry, and Fritz; Blackington Street in the Spring; Intramural games in Venable Gym; Friends; Climbing the stairs of Mount Murdock; Snowball fights on Taconic and Murdock lawns; Attempting to walk down the Fire Lane in any season; Bowman Hall; The computer lab; The library; The Rock; Vote NO on 3; Route 2 West; The Mohawk Trail; Friends; The Hairpin Turn; The endless rides across the state; The trips back after breaks; The War in the Gulf; The beautiful Fall foliage and crisp Winter mornings; Friends; Mt. Greylock; The Natural Bridge; The Beacon; WJJW and the Hangover Show; The faculty members that made a difference in your undergraduate career; Friends; Finals Week; Senior Week; And finally . . . . Graduation.

This is just a small list of things not to be forgotten as we go on from North Adams State College. Everyone leaves with their own memories and pieces to be cherished. Most importantly, never forget the friends you made and the good times you had, because life will never be the same again.

Luck and happiness to all!!

All the best,

Kate

CUT IT OUT!

Thank You . . . .

There are quite a few people that need to be acknowledged for their help and support this past year. They are, (and not necessarily in any order), all very important to North Adams State College and the Class of 1991. Without further babbling, all I can say is Thank You sooooo much!

These wonderful people are:

Dave Milley, Diane Collins, the Executive Cabinet '90-'91, Carla Parker, Bill Caprari and the Campus Center Staff, Dr. Maust, the office of Residence Life, APA, AFSCME, the Sumi Colligan, Dr. Debbie Foss-Goodman, Lizbo, Kelly Cosgrave, my roommates, (mostly putting up with me), Sue Bailey, Sharon Zavattaro, ARA Food Services, The Beacon, WJJW, Dave Sampson, Eileen Gallivan and everyone else.

I am sure that I have forgotten to mention quite a few people. Thank you to everyone who helped to make this MOHAWK '91 possible and the year a great one!
